

TOWN OF  
**Conception Bay South**

**OCCUPANCY PERMIT #**

**Date**

**Address**

Dear Sir or Madam:

Please be advised that an inspection was carried out for your premises located at **Address** on **Date**. At the time of inspection, based on observation and information supplied by the applicant, the inspection requirements as specified by the Town appears to have been met with the following exception:

The Council hereby permits occupancy of the above mentioned property for a single family dwelling with subsidiary basement apartment in accordance with the terms and conditions of **Permit # issued Date**.

The granting of this permit shall not relieve the owner and/or the developer from completing all remaining work in accordance with the approved plans, specifications and regulations. The Town or its inspectors will not accept responsibility or be liable for defective workmanship or materials used in conjunction that either do not meet the requirements as set out in all the relevant building or safety codes or were missed in carrying out an inspection.
