MEMO TO: Town of Deer Lake Staff  
From: Mayor & Council  
Re: Misuse of Town Property

This memo is directed to council staff that tends to use town vehicles for personal reasons.

A number of complaints have been placed with individual councillors concerning tax payers dollars and tax payers vehicles being used for both personal errands and for convenience of going home to lunch etc.

As of today, council will no longer tolerate this behaviour. If you have to travel to work with your own vehicle, then it is understood that you will have to avail of this same vehicle – your vehicle – to go home for lunch or to run lunch errands.

We value our employees and are being firm for your benefit. It hurts us all when we receive complaints and with the cost of fuel and the maintenance on our vehicles, **compliance is a must.**

If you require further clarification on this issue, please feel free to either speak to the office or to either member of council.

Thank you.
