## Town of Deer Lake

### Request for Inspection re: Commercial Capacity & Residential Oxygen

PURPOSE Policy of the Town of Deer Lake for direction of Fire Rescue Personnel and staff in regards to all requests for commercial capacity and residential oxygen inspections.

AUTHORITY As per resolution at Meeting No. 1207 held March 14, 2011.

#### ACTION

All requests for inspections as noted above are required to complete a "request for inspection" form which is located at the Main Office, 6 Crescent Street and pay the required fee before the inspection is permitted to take place.

Fees for the requested inspection shall be:

- Commercial Capacity \$50.00
- Residential Oxygen for one visit \$30.00
- Residential Oxygen if more than one visit is required \$50.00

Upon receipt of the required fees, Fire Rescue Department are to be contacted. One copy of the request is to be forwarded to the Fire Department and a copy is to be given to the requester. The original is to remain at the town office.

Upon completion of the inspection, Emergency personnel are to complete the "FOR OFFICE USE ONLY" section of the inspection request.
